

UNIVERSITAS SUMATERA UTARA PRESENTS :

ICCAI

The 4th International Conference on Computing and Applied Informatics (ICCAI) 2019

26-27th November, 2019
Hotel Grandhika Medan

“ Embracing Industry 4.0 Through Innovation And Collaboration ”

CALL FOR PAPERS

The 4th International Conference on Computing and Applied Informatics is an international event that gathers researchers, scientists, engineers, scholars, experts, academics, and students who are interested to disseminate, report and share their experiences, innovations, ideas, research results in the field of computing and informatics.

TOPICS

Artificial Intelligence | Augmented Reality | Smart City
Information Security | Big Data | Health Informatics
Social Media | Natural Language Processing
Computational Fluid Dynamics | Data Mining
Language Generation | Software Engineering
Machine Learning | GIS | E-Government
E-Commerce | E-Health | Human Computer Interaction
Image Vision | Computer Graphics | Networking
Computer-Aided Design and Research
Computational Mechanics | Numerical Analysis Science
Computational Modeling
Computer in Medicine and Biology
Computer in Social Sciences
Numerical Analysis Engineering
Numerical Methods in Engineering
Computer Based Researches

KEYNOTE SPEAKERS

Dr. Kurniandigalit, SAMIEEE
Vice Chair IIG, Indonesia Section

Prof. Dr. Indra Sumart
Universitas Tidar Thailand

Dr. Eng. Ade Candia
Universitas Sumatera Utara

IMPORTANT DATES

Full Paper Submission
8th of November 2019

Notification of Acceptance
15th of November 2019

Camera Ready
20th of November 2019

PAYMENT

Author
Domestic Student 800.000 IDR - Domestic Non-Student 1.000.000 IDR
International Student 2.000.000 IDR - International Non-Student 2.500.000 IDR

Participant
Domestic Student 100.000 IDR - Domestic Non-Student 800.000 IDR
International Student 500.000 IDR - International Non-Student 800.000 IDR

Accommodation Charge 100.000 IDR / day / person

Accepted and Reviewed Papers will be included in Conference proceedings indexed by

The 4th International Conference on Computing and Applied Informatics (ICCAI) 2019

Akhmad Rezki Purnajaya

Universal University

Indonesia

Greetings,

On behalf of the organizing committee of The 4th International Conference on Computing and Applied Informatics 2019, we are pleased to inform you that the following manuscript:

ID : 11345
Title : Optimization of Municipal Solid Waste Transporter in Batam City
using Genetic Algorithm
Authors : A R Purnajaya, F D Hanggara

has been **ACCEPTED** to be presented at our conference. Please proceed to the registration process. Furthermore, should your manuscript requires revision, please send us the camera-ready version before the assigned deadline. Please be informed that for your work to be included in our conference proceeding, it has to be presented in the conference that is going to be held on the 26th of November 2019 at Hotel Grandhika, Medan. Should you require assistance in the process, please do not hesitate to inform us.

Thank you for your participation in The 4th ICCAI 2019. We look forward to meeting you.

Sincerely

Dr. Elviawaty Muisa Zamzami, MT., MM.

General Chair

ICCAI 2019
